

DECLARATION  
OF  
COVENANTS, CONDITIONS AND RESTRICTIONS  
FOR  
THE WHITNEY RANCH

THIS DECLARATION is made this 19th day of October, 1994 by WILLIAM D. FAIRFIELD, Trustee of the Decedent's Trust of the Johnson-Roehler Family Trust dated October 31, 1980 as amended October 2, 1981, and Trustee of the Survivor's Trust of the Johnson-Roehler Family Trust dated October 31, 1980 as amended October 2, 1981 (herein "Declarant"). This Declaration of Covenants, Conditions and Restrictions for the Whitney Ranch is an amendment and restatement in its entirety of the covenants, conditions and restriction in that certain Declaration of Covenants, Conditions and Restrictions for the Whitney Ranch dated September 13, 1994, and recorded September 15, 1994, instrument number 86644, Official Records.

ARTICLE 1  
RECITALS

1.1. **Property Covered.** Declarant is the owner of certain real property (the "Property") described as: Whitney Ranch at Meadows, Adams County, Idaho. The legal description of the Property is provided as Exhibit "A".

1.2. **Purpose.** Declarant hereby subjects all of the Property to certain protective covenants, conditions and restrictions for the benefit of the Property and present and future owners thereof. This Declaration of Covenants, Conditions and Restrictions ("Declaration") is intended to preserve the value, desirability and attractiveness of the Property, to create and protect the highest quality development of the Property and to insure proper maintenance thereof.

1.3. **Goals.** The project is being developed to provide a limited number of residential ranch sites within the 800 acre Whitney Ranch. The Property provides many unique natural resources including its streams, meadows, forests, and wildlife populations. The project has been designed and will be managed to preserve and enhance these natural resources for the benefit of all Lot owners.

ARTICLE 2  
DECLARATION

2.1. **Scope of Declaration.** Declarant hereby declares that all of the Property, and each Lot therein, is and shall be held, sold and conveyed, encumbered, hypothecated, leased, used, occupied and improved subject to the following covenants, conditions, restrictions, easements and equitable servitudes which are for the purpose of protecting the value and desirability of, and which shall run with, the Property. The covenants, conditions and restrictions contained in this Declaration shall:

A. Be binding upon all persons having or acquiring any right, title or interest in or to the Property or any Lot and their successors or assigns;

B. Inure to the benefit of every portion of the Property or any Lot or any interest therein;

C. Inure to the benefit and be binding upon Declarant and his successors and assigns and each grantee and his/her respective successors in interest; and

D. Be enforced by Declarant or its agent, by any Owner or grantee or his/her successors in interest or by the Whitney Ranch Homeowners Association ("Association").

2.2. **Rights of Declarant.** Notwithstanding the foregoing, no provision of this Declaration shall be construed to prevent or limit Declarant's right to complete development of the Property and to construct improvements thereon, nor Declarant's right to maintain construction, sales or similar facilities on any portion of the Property, nor Declarant's right to post signs incidental to construction, sales or leasing on any portion of the Property.

2.3. **Commercial Property.** Lot 1, Block 2 of the Property is zoned for commercial use. Declarant shall be permitted to develop on said Lot 1, Block 2 a community recreation center for use by the Declarant, his successors, purchasers, guests, tenants, invitees, residing on or temporarily visiting said Lot, notwithstanding any term, covenant, condition or restriction in this Declaration to the contrary.

2.4. **Other Restrictions.** The covenants, conditions and restrictions contained in this Declaration are IN ADDITION TO any other land use restrictions, zoning ordinances, laws, rules and decisions of other governmental authorities, including judicial authorities. This Declaration does not supersede or replace any such land use restrictions which are in force and must be satisfied independent of this Declaration.

3.32. **OWNER** shall mean the person or persons or other legal entity or entities, including Declarant, holding a fee simple interest in a Lot or, as the case may be, or the purchaser of a Lot under an executory contract of sale (but excluding those having such interest merely as security for the performance of an obligation). For the purposes of Articles 4 and 5 only, unless the context otherwise requires, Owner shall also include the family, invitees, licensees, and lessees of any Owner. Notwithstanding anything in this section to the contrary, the Association as owner of Whitney Road, Eucua Vista Lane, Big Creek Court, and the Common

Area and Greenbelt shall not be deemed an "Owner" for the purposes of this Declaration.

3.33. **PERSON** shall mean an individual or any other entity with the legal right to hold title to real property.

3.34. **RESTRICTIONS** shall mean this Declaration, as said Declaration may be amended from time to time, and the Rules from time to time in effect.

3.35. **REGULATING PLAN** shall mean the Regulating Plan attached hereto as Exhibit "B".

#### ARTICLE 4 GENERAL AND SPECIFIC RESTRICTIONS

Except upon prior written approval of the Design Review Committee, the Property shall be held, used and enjoyed subject to the following limitations and restrictions:

4.1. **Design Review Committee.** There shall be no excavation or alteration of any Lot, no action to construct, place or erect any Improvement or structure on any Lot (or which in any way alters the exterior appearance of any Improvement or Lot or removal of any Improvement) without the prior written approval of the Design Review Committee in accordance with this Declaration and the Exhibits to the Declaration, all of which are incorporated herein by reference as if restated in full. These requirements shall apply only to the exterior appearance of said Improvements and not the interior thereof.

4.2. **Insurance Rates.** Nothing shall be done or kept on any Lot or the Property which shall increase the rate or result in the cancellation of insurance payable by any Owner, the Association or Declarant, or which would be in violation of any Association Rule or Adams County Regulation.

4.3. **No Further Subdivision.** No Lot may be further subdivided, nor may any easement or other interest therein, less than the whole, be conveyed by the Owner thereof other than for underground utilities and underground drainage facilities.

4.4. **Animals.** No more than 4 dogs and 4 cats (and other indoor household pets) may be kept except with the approval of the Board, and provided that they are not kept, bred or maintained for any commercial purpose and not allowed to run at large, chase wildlife or bark excessively. Owners with farm animals shall maintain pasture grasses and fence pastures according to the alignment shown on the Regulating Plan. Farm animals (other than pigs, chickens and other burrowing animals) shall not exceed 1 animal per 5 acres owned unless approved by the Board; provided

that Lots 1 and 2 may have 1 farm animal per acre, including, but not limited to, horses, cattle, llamas, sheep, deer, elk, etc. No farm animals shall be allowed on any Lot unless contained by fencing. No pigs, chickens and/or burrowing animals shall be allowed on any Lot within the Property.

**4.5. Nuisances.** No rubbish or debris of any kind shall be placed or permitted to accumulate upon the Property so as to render any portion thereof unsanitary, unsightly, offensive or detrimental to any other Lot or its occupants. No noise, including, but not limited to, noise created by people, animals, equipment, electronic device, audio receiver, television, stereo, musical instrument and/or machinery, or any other audible nuisance, shall be permitted which is offensive or detrimental to any other Lot in the vicinity thereof or to its occupants.

**4.6. Maintenance of Improvements.** No Improvement upon any Lot shall be permitted to fall into disrepair, and each such Improvement shall at all times be kept in good condition and repair and adequately painted or otherwise finished by the Owner thereof. Any maintenance and/or repair of any Improvement shall not alter the appearance, color, or finish of said Improvement without prior review and approval of the Design Review Committee.

**4.7. Disrepair.** If any Owner permits any Improvement for which he is responsible to maintain to fall into disrepair so as to create a dangerous, unsafe, unsightly or unattractive condition, the Board, upon 15 days prior written notice to such Owner, may correct such condition and enter upon such Owner's Lot for the purpose of doing so, and such Owner shall promptly reimburse the Association for the cost thereof. Such cost shall create a lien in the same manner as other assessments, as set forth in this Declaration. Such Owner shall be personally liable, and his property may be subject to a mechanic's or other lien, for all costs and expenses incurred by the Association in taking such corrective actions, plus all costs incurred in collecting the amounts due. Each such Owner shall pay all amounts due for such work within 10 days after receipt of written demand therefor, or the amounts may, at the option of the Board, be added to amounts payable by such Owner as a regular Assessment.

**4.8. Watercourses, Irrigation Ditches and Drainage.** All watercourses, irrigation ditches and drainage shall be managed in the best interest of the Association. There shall be no alteration, improvement, or interference with any established watercourse, irrigation ditch or drainage pattern over any Lot within the Property unless approved in writing by the Design Review Committee and the Board. Any alteration, improvement, or interference with any watercourse, ditch, or drainage shall also comply with applicable local, state and federal regulations.

For purposes of this Declaration, "alterations" shall mean to obstruct, diminish, fill, pond, dredge, destroy, alter, modify, relocate or change. "Watercourses" (either natural or made) shall include streams (both perennial and intermittent), wetlands, lakes and ponds, springs, seeps, dry washes and any associated culverts, ditch or water control structures. Irrigation ditches shall include any ditch, canal and any associated culvert or water control structure used to convey water for irrigation purposes. "Established" is defined as the watercourse, ditch or drainage which exists at the time of the grading of the Lot or Property, or as shown on any plans approved by the Design Review Committee or the Regulating Plan of the Property.

Any alteration of vegetation within 75 feet of all watercourses, as measured from the mean high water mark, must have prior written approval of the Design Review Committee. No grass shall be mowed or otherwise disturbed within 75 feet of the edge of any watercourse.

No boat, board, tubes or rafts capable of carrying a person or child shall be allowed in or on any watercourse, ditch or drainage. New watercourses may be developed on individual Lots, provided that a valid water right exists, and the watercourse does not interfere with downstream uses. All plans must be approved by the Design Review Committee, Board and applicable governmental agencies.

**4.9. Greenbelt/Common Areas.** The Greenbelt/Common Areas as shown on the Regulating Plan shall be established to protect all watercourses, safeguard the Association's water rights, enhance the environmental and recreational value of Lots, and to provide for wildlife, watercourse activities and non-motorized trails for Lot Owners and guests. The greenbelt shall be managed by the Association, and no alterations within said areas shall be allowed.

**4.10. Sewage and Water Supply Facilities.** All residential structures on any Lot shall be provided, at the Owner's expense, with a water well(s) and adequate sewage treatment facilities, including septic tank and drainfield. Individual sewage and water systems shall be permitted on any Lot, provided such system is designed, located, constructed and equipped in accordance with the requirements, standards and recommendations of the Design Review Committee and is approved by the Adams County Health District and all other applicable governmental authorities. Individual Lots may require additional sewage treatment facilities based on soil types and hydrology conditions, the determination of which shall be the responsibility of the Lot Owner. All such facilities shall be adequately maintained so as to cause no offensive odors or above-ground discharge. At such time as a sewer line for a sewer treatment facility or spreading field is available for hookup to structures on the Lots, and the Board shall so determine, all Lots

shall cease utilizing septic tanks and drain fields and shall utilize such sewer treatment facility or spreading field.

**4.11. Fire Protection.** The Regulating Plan currently requires Declarant, as Owner, to install one pond on the Property capable of holding 30,000 gallons of water, together with one dry fire hydrant, all of which is for fire protection for the Property. Adams County Fire and Building Codes may require a Lot Owner to install additional fire protection measures on said Owner's Lot or within the Improvements on said Lot. Construction of all Improvements must comply with Adams County Fire and Building Codes.

**4.12. No Hazardous or Offensive Activities.** No activities shall be conducted on the Property and no Improvements constructed on any Lot which might be unsafe or hazardous to any person or property. No firearms shall be discharged upon any Lot or the Property. No hunting shall be allowed at any time. Hunting on neighboring lands is allowed according to applicable local, state and federal regulations. No open fires shall be lighted or permitted on any portion of any Lot; except those controlled and attended fires required for clearing or maintenance of land, and previously approved in writing by the Board and applicable regulatory agencies, or those within a contained and safe area for cooking and recreational purposes.

**4.13. Unsightly Articles.** No unsightly articles shall be visible from any Lot. Without limiting the generality of the foregoing, trailers, motor homes, trucks (other than pickups), boats, tractors, vehicles (other than automobiles), campers (on or off a vehicle), snowmobiles, snow removal equipment, garden or maintenance equipment, camping and recreational equipment, dilapidated or unrepaired vehicles and similar equipment shall be kept screened from view at all times. All vehicles must be operational and must have current licenses.

Refuse, garbage and trash shall be kept in a covered container and appropriately screened from view at all times. No lumber, grass, shrub or tree clippings, compost piles or plant waste, metals, bulk materials, unused building materials, or refuse or trash or other materials shall be kept, stored or allowed to accumulate on any Lot unless appropriately screened from view. Firewood shall be stored in a neat and orderly fashion.

**4.14. Temporary Structures.** No temporary structure or Improvement shall be placed upon any Lot. However, a well built temporary structure or trailer will be permitted to be used during construction of Improvement(s) on a Lot, provided it is located on the Lot on which construction of Improvement(s) is occurring, and it shall be removed within 14 days of substantial completion of the Improvement, but in no event shall any temporary structure or trailer remain on any Lot for more than 1 year from commencement of construction of the Improvement(s).
